SPONSORSHIP OPPORTUNITIES FOR 2019

Women Empowering Women in Recovery, Inc.

Empowerment Luncheon Event

The connection between women is essential!

MISSION

Women Empowering Women in Recovery, Inc. is committed to providing college scholarships to women on their recovery journey empowering them to heal, recover, and know their worth in the world. Education is something no one can take away from them.

We have established our 2019 Sponsorship Opportunities Guidelines as we continue to grow and reach our community of women who are interested in being **EMPOWERED**.

You will be sponsoring a Motivational Empowering Speaker, an advocate for empowerment, courage and self-esteem. The Motivational Speaker will have a concise message of inspiration, knowledge, and skills to empower and challenge every woman to be the best version of herself.

We believe every woman deserves a chance to be her best self every day, regardless of her past and we've been clear about how important it is to us to help women have the confidence and support to further their education.

As a sponsor we understand the importance of being able to share the "Company's business" and have created the following guideline for you to follow:
